# ‘UNITY KIDS’ CLUB

Spiritual Education Classes for Children

## All Are Welcome!

“Possess a pure, kindly and radiant heart...” Kindness. Courtesy. Truthfulness. Compassion. This is just a taste of what **Unity Kids Club** will learn.

How will the kids learn? Through storytelling, study, drama, games, art, and community service projects. Through open conversation and a willingness to explore new ideas. Through searching for truth boldly, and respectfully appreciating each other’s differences and strengths.

Sounds good? It will be when you are there!

**The Baha’i community of Clarington is having spiritual education classes for children**, based on curriculum from the Baha’i writings, to encourage young people to think,

reflect and apply spiritual principles in their lives. It is a real community effort, and is based on the idea of “**Unity in Diversity**,”

meaning, we don’t have to be the same color, we don’t have to be the same ethnicity, **we don’t even need to be the same religion**, to be peaceful, respectful, and unified with every other human being on this planet!

How does this work? **Unity Kids Club** works by educating and empowering young people. Through education, through applying spiritual principles in their lives, our children will eventually change our troubled world into one of peace. **It is possible!**

“Children are even as a branch that is fresh and green; they will grow up in whatever way ye train them. Take the utmost care to give them high ideals and goals, so that once they come of age, they will cast their beams like brilliant candles on the world, and will not be defiled by lusts and passions in the way of animals, heedless and unaware, but instead will set their hearts on achieving everlasting honour and acquiring the excellences of humankind.” The Baha’i Writings
